

McFARLANES'

Let the North Winds Blow . . .

Why wait 'til all that "white stuff" stacks up (and then melts) to get your mower ready for the jobs you know will be waiting for you when the sun returns in the Spring! **Call by December 21, 2009** and our mechanics will get your Kubota, Dixon, Ferris, Simplicity and any other major brand lawn mower into tip-top shape before you can say "Jack Frost" 4 million times (just kidding). Then when the grass turns green. . . *You'll be off and running with your well-tuned Mower!!!*

- **Pickup and Delivery to your business or home (For a nominal cost of \$50.00) ** Mention this card when you pay and save \$25 on pickup and delivery.** (**After 12/07/09 Discount will no longer apply)
- **No Lost Time on Jobs that thaw out early!**
- **Call Now! 608-643-3321 or 800-627-8569 (Ask for "Tex" or "C.C"@ ext. 178 in Power Equipment Service)**

Commercial models **\$189⁹⁵**

Commercial models **\$189⁹⁵**

Residential models **\$139⁹⁵**

Commercial models **\$189⁹⁵**

Residential models **\$159⁹⁵**

Commercial models **\$189⁹⁵**

Remember:

You can further prepare your mower by –

1. Removing the battery and placing it on a maintenance charger
2. Add fuel stabilizer in your engine's fuel tank.
